Message From the Headmaster

The pages of this report you hold in your hands are another visible reminder of the reasons we celebrate our school. The bond shared by every member of the St. Vincent-St. Mary family is the reason for the success of the school and its students every year. This past year was exceptional in so many ways, and we all recognize that the support of our friends and alumni is a huge component in those accomplishments.

The Class of 2011 was yet another stellar example of young people reaching their goals. They were accepted into their first choice college and they received college money in the form of scholarships and grants, equaling far more than their fair share and "return" on their investment in STVM. Students did their part; the faculty and staff did theirs; YOU did your part, and we thank YOU. Our sense of hope could not be stronger.

Thank you for all your support.

God bless you,
David Rathz, Headmaster

The STVM Executive Board reflects on the past fiscal year and shares insight into STVM and the role that they serve.

Patrick Hart V68 is the Chairman of the STVM Executive Board

Pat has served on the Executive Board since December 2008. Pat graduated from St. Vincent High School in 1968 and received a Bachelor of Arts Degree in Political Science from The University of Akron four years later. He earned his law degree from The University of Akron School of Law in 1975. Following law school, Pat joined the Akron Prosecutor's Office in 1976 and went into the private practice of law in 1980. Pat is a partner with the law firm, The Scanlon Group Co., L.P.A.

Over the years, Pat has been active in professional and community service organizations. In years past, he has served on the Boards of Catholic Social Services, West Akron Baseball League and the Akron Bar Association. He is a past president of the Summit County Trial Lawyers Association and also served as Chairman of the Board of Akron CYO and Community Services.

"It is an honor and a privilege to serve our school as Chairman of the Executive Board. These are very exciting times at St. Vincent-St. Mary High School. The past school year was a success on many levels. We received state awards for our science program, foreign language program, band program, and placed in the national rocket team competition. In its first year, the Irish Mock Trial Team won the districts and advanced to state regional competition. Also in its first year, students in the St. Joseph of Arimathea Society served as pall bearers at the funerals for needy families. Athletically, we won state championships in girls cross country, boys basketball and boys track and field; state runner-up in boys cross country; and state playoffs in football. The Special Needs Department continues to be a special program at our school.

Much of this success is due to the quality, energy and enthusiasm of our faculty and staff. Our faculty is experienced and continues to commit extra time and effort to the education of our students.

Despite the challenges presented by our economy, our school ended the fiscal year under budget. We continue to work to keep tuition reasonable for our families. In this regard, the school's endowment continues to grow and be a vital source of financial assistance to the school and many students, distributing over \$450,000 this past year.

In the past several years, substantial capital improvements have been made to our school. Most of the real estate for future expansion has been acquired. The Center for Science and Technology has been a centerpiece in what has become a model high school science program. The Cosgrove Center has allowed us to be competitive in offering additional gymnasium facilities for our numerous boys and girls athletic teams. Recent paving of the student parking lot proved to be an immediate cosmetic improvement to our campus.

By all measures, St. Vincent-St. Mary High School is a good place to be with many good people working to enrich the academic, spiritual and athletic experience of our students. It is important that we get the message of our school's success out to alumni and all interested members of the STVM community. We need to build on these successes. There is still much yet to do. There are capital improvements to our school's physical plant that will need attention in the next few years. We also need to budget for future expansion. All of this requires support from our broad community.

Together with the involvement and help of our alumni and friends, the St. Vincent-St. Mary High School community has a very bright future."

Tim Killian V70

"As a graduate of St. Vincent High School and having two daughters that have graduated from STVM, I have experienced the core essence of our school that provides our students with academic excellence and a moral foundation to meet life's challenges. By being a part of the STVM Executive Board, I hope to build on our success and aid in the implementation of school policies that afford good governance, financial strength, innovative ideas and stability now and in the future."

Father Joseph Kraker

"I serve on the STVM Executive Board because I believe strongly in the value of Catholic education and because I support the work of the Church in the city. St. Vincent-St. Mary High School is an important part of the City of Akron as well as our Catholic parishes in the Northeast Ohio area. STVM students are fortunate to be involved in a school that exemplifies the traditions of excellence in Catholic education."

Jim LaRose VM78

"It has been a pleasure serving STVM on the Executive Board and I have been greatly rewarded by my experiences at STVM, especially during my high school years. Our school, St. Vincent-St. Mary, continues to be a great educational opportunity for the students as well as an outstanding environment for family, community and diversity. The students have the opportunity, as I did, to learn how to work with people as individuals and in a team environment,

both in and out of the classroom. I am honored and privileged to have been asked to serve on the Executive Board and consider it an opportunity to give back in some way to the school and to the community that gave and taught me so many important lessons. Go Irish!!"

Christine Dougherty Marks V72

"When I was approached to serve on the Board and accepted, it was primarily because I believe that our Board will work diligently to make decisions that will positively impact the school now and in the future. I am very honored to be on the STVM Executive Board and to offer my input and perspective. The Executive Board continues to have one goal.....To ensure that STVM is the best option in Northeast Ohio for receiving a Catholic High School education."

Mike Ochsenhirt V71

"It has been a pleasure being a part of the Executive Board and I have enjoyed being instrumental in the continuous improvement of our campus and our school. The future looks bright and I am confident that we will continue to offer our students an environment to excel academically and socially. Looking back over the years and seeing the progress we have made to our physical campus environment and interior of the school is encouraging. It is important to acknowledge the generous support of our loyal donors as well as the many achievements and wonderful attitude of our faculty, staff and student body. STVM is an environment that fully prepares the students for the next lessons of life."

Fred Ost V50

"I have enjoyed my time on the Executive Board. It is a pleasure to serve with the other members as we assist in creating the best possible environment for our students so that they can excel academically. The Board continues to rely on our staff and teachers and is impressed with the accomplishments that are achieved each year. It is so easy to be proud of St. Vincent-St. Mary High School, our STVM students and our STVM community. I am proud to be a part of this Executive Board."

Tim Rickus VM80

"When I talk of St Vincent-St Mary High School, the word 'special' says it all. That was the way I felt when I walked the halls as a student and that is still how I feel to this day. Over the past 4 years of my Executive Board tenure, I am most proud of the great strides that we have made in our operations, while maintaining such a great faculty and staff. Being a member of the Executive Board allows me to witness first-hand the way we maintain our high standards in Catholic education while providing the administration with direction to manage the process of education in the most cost-effective manner. We truly are 'special' and appreciate your support in ensuring that we continue to serve our 'customers' — the students and parents within the STVM community. I am looking forward to the coming school year and serving you in my last year on the Executive Board. It is sure to be an exciting and rewarding year."

Chief Operating Officer Reviews 2010-2011 Financials

Dear Friends,
Thank you for your continued support of St. Vincent-St. Mary High School. Now, in my second year as Chief Operating Officer, I have been fortunate to witness firsthand the unwavering generosity of our parents, alumni and friends that enables St. Vincent-St. Mary to be one of the best

Catholic high schools in the nation.

Please be assured that we continue to take our fiduciary responsibility seriously. We will continue to be good stewards of the financial resources you so generously provide to our school.

Because of you, our loyal donors, we have been able to make so many dreams come true for the young boys and girls at STVM. Through your donations and support, we are able to provide an

exceptional faculty, staff, and facilities to enhance our students' learning experience. Our students grow academically with our excellent academic curriculum as they grow in their faith with the spiritual and religious lessons offered.

Together we can continue to ensure that St. Vincent-St. Mary High School remains steeped in tradition, committed to educating the whole person, and provide an environment that prepares our students for their post-secondary education.

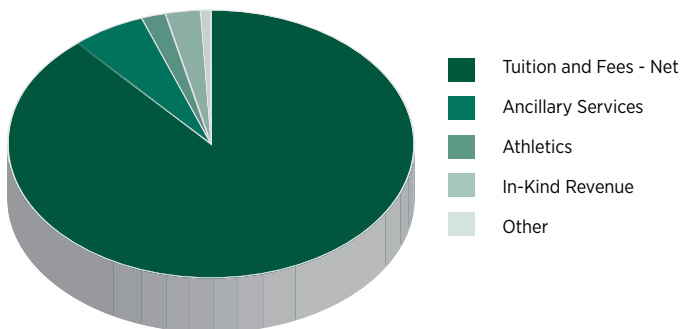

We are blessed to have active, dedicated donors. It is because of you that St. Vincent-St. Mary High School is such a special place.

God Bless,
Thomas M. Carone VM77

"I selected STVM because it was the only high school I visited that I felt comfortable with. Some of the other compelling reasons include the theater and performing arts program, band programs, and because my entire family also attended STVM, including my grandfather who attended St. Vincent High School. The heritage and history of our school dating back to St. Mary High School and St. Vincent High School help to make STVM an environment strong in tradition and academic excellence. The support that we receive from alumni and friends makes a difference to each and every STVM student. My high school experience at STVM has taught me how to be a good leader and I have also learned that sometimes things don't go exactly how you want, but in time, things seem to work themselves out."

"To me, St. Vincent-St. Mary High School is a place where students know that they have every opportunity to thrive not only in the classroom, but also on the field, the court, the stage, or any other of the tremendous place for teams that St. Vincent- St. Mary has to offer! While learning in a comfortable environment, students have the chance to learn lasting knowledge, gain insight into the real world, develop lasting friendships, and create incredible memories. After graduating with the Class of 2011, I can look back on my high school experience and truly say it surpassed my wildest expectations for high school and that I made the best decision of my life in choosing to attend STVM!"

"I selected STVM because when I walked through those front double doors, I could immediately feel the welcoming and warm atmosphere. Everyone was so friendly and extremely helpful with all of our questions. I can honestly say that attending STVM High School was the best decision for me. The work was challenging and motivated me to manage my time wisely. The extra-curriculars offered were fun to be a part of and afforded me chances to exercise and cultivate my leadership abilities. The small class sizes allowed me to have close personal relationships with my teachers, which made for great recommendation letters and contributed to the familial atmosphere of the school. The prayer services and spiritual retreats helped me to discover new aspects of my faith, even though I am not Catholic, which is another positive thing about STVM.

Being accepted at Harvard University was possible due to the academic foundation and growth I received at STVM. I would give STVM a 9.5 rating on a scale of 10. Not perfect but the best you'll find for miles around :)."

"I chose STVM because I knew I could pursue what was important to me, my faith, my academics and my athletics. My sisters all graduated from STVM and we all have left with a great education, a stronger faith and a sense of what it means to be in an Irish family. I have so many great memories of STVM, football games, teachers, doing our service projects, winning a boys State Track Championship etc. I just want to thank God for all of it. It was a great four years."

"One of the reasons I chose STVM and especially why I enjoyed it as much as I did, was the atmosphere. I felt like this was a place where I could both really grow in my education and learn some great things, as well as have a good time being a high school student and being with my friends.

I am also very impressed with STVM's multicultural atmosphere and the variety of people, viewpoints, and opportunities that exist for students to experience.

Finally, I enjoyed STVM's ability to keep God a part of our daily lives while still being tolerant and open to various religious topics, debates, and questions."

Share The Vision

St. Vincent-St. Mary High School gratefully acknowledges the following alumni, parents and friends who donated so generously during the 2010-2011 fiscal year. Even though the Share the Vision Capital Campaign concluded in 2009, these donors made a long term pledge commitment and continue to affirm their support. We offer our sincere thanks for their support of, and dedication to our mission to inspire and to enlighten through Catholic education.

"I went to STVM because I wanted something different. I went to public school all my life before STVM High School. My Brother (Deontae Grant VM07) attended STVM, and he was a big influence on my decision. I love the people there, and our great FAMILY that we have. The coming year will be bittersweet because I will miss the times there with all my heart, but I know STVM prepared me for my future. Go Irish! God Bless."

Paving the Way to a Bright 2011-2012 School Year

Looking ahead to the 2011-2012 School Year...

Students returning to campus in August 2011 were impressed with the many improvements to the campus interior and exterior. Thank you, our loyal donors, for making it possible to make these enhancements to our campus.

Black Top/Paving of the Parking Lot

The new 43,000 square feet of paved area provides 133 numbered student-assigned parking spots and enhances the appearance of the lower lots and stadium area.

Music Room Flooring

New tile flooring was installed in the Music Room practice area, giving a clean and acoustically improved space for our band rehearsals.

Student Center Doors

The doors connecting the student center and academic area of the building were replaced with new handicap-accessible doors that are not only aesthetically pleasing, but fully conform to safety and security regulations.

Art Room Adds Macintosh Computers

Our Mac Lab features 10 iMac computers with 21.5 inch screens. The computers are loaded with Adobe's Creative Suite 5.5 software application, which includes graphic arts programs, such as Photoshop, Illustrator, and InDesign. The goal is to help students develop graphics arts skills that will benefit them in college and also prepare them for the working world.

STVM School Buses

Two new school buses, proudly featuring "St. Vincent-St. Mary High School" on the side, have been acquired for the purpose of transporting our students to and from school and athletic events.
