## It Had to be NICK!

Calling all Guys and Gals!

Frank, Dean, Sammy, Peter, and Joey are back in town, **Nick Costa** is a smooth version of the Good Old Days. He is not an impersonator, but a version that combines old classics, Motown, and jazz in a modern way. Nick is a Viva Las Vegas type of entertainer, so grab a seat, shake off the glitter, and fall in love all over again with "Mr. Blue Eyes."
