Each year, parents of all STVM students are asked to make a financial contribution, beyond the commitment of tuition, by making an annual tax-deductible donation to our annual fund, The Fund for STVM, through the Parent Partnership appeal. These gifts are designated to help bridge the gap between the cost of tuition and the true cost to educate each student. This gap spans beyond \$1,300.

Parent Partnership is an opportunity for parents to invest and PARTNER in their child's education. Ideally, we would love for each family to make a gift in the amount of \$1,300 that will bridge the gap; however, we realize that everyone is blessed with different giving capacities. Each gift helps to make a difference in enriching every student's educational experience at STVM.

We ask that each family will prayerfully consider a gift at any level so that we can achieve 100% parent participation—just as 100% of STVM students directly benefit from gifts to this program. Gifts of \$25 or more qualify for an **OFFICIAL PARENT PARTNER** water tumbler! We hope to see these tumblers in the hands of every parent at STVM!

STVM strives to remain cost-accessible to as many families as possible. We are blessed to have parents, alumni and friends that believe in the value of a STVM education. A strong Parent Partnership to support The Fund for STVM enables tuition to remain at a level that is achievable for all STVM families.
