Donovan Avery Head Coach

Donovan Avery begins his 1st year as Head Coach of the Fighting Irish Tennis Team.

Coach Avery reflects on the coming season: We had a very young team this year with only one returning Senior and 3 total returning varsity letter owners from last year. My focus this year was on laying the groundwork for the future. Our record was not everything for a team as young as ours so we cannot measure success in wins and losses. Our success was in how much our first year players improved from the beginning of the 1st practice until the last match and I am looking forward to help continuing that success next season.

Andy Jalwan

Athletic Director

Dear STVM Community,

Thank you for your support of the Irish athletic program. The tradition of athletic excellence at St. Vincent-St. Mary would not be possible without the consistent backing of our coaches, parents, faculty, alumni, and booster members. The dedication of the entire STVM community provides our student-athletes with the opportunity to wear the green and gold proudly and victoriously.

The sense of pride, tradition, and community is infectious at our school. With your support, St. Vincent-St. Mary High School makes available the opportunity for every student to participate, while promoting good sportsmanship, integrity, and performance that is consistent with our mission and the Catholic education maintained in our classrooms. I hope to see you at future contests.

Go Irish!

Anthony Gary

Athletic Trainer

Once again, for the 2009-2010 school year, St. Vincent-St. Mary High School will offer sports-specific strength and conditioning training for all athletes. The training will be provided by 2nd year Head Wrestling Coach Anthony Gary, who is a personal trainer certified by the National Strength and Conditioning Association (NSCA) and the American Council on Exercise (ACE).

There is no charge to STVM athletes for these services. Coach Gary will work with the students on a program to enhance their performance and prevent injury during the regular season, as well as pre- and post-season. Although athletes are not required to participate, they'll have an opportunity to meet as a team with Coach Gary once or twice a week to learn body weight and stretching exercises, including variations on martial arts and yoga techniques.

"Proper strength and conditioning training is important for preventing injury and improving speed, agility and power," said Gary. "I'm happy to be able to offer this, not only to my wrestlers, but to all athletes at St. Vincent-St. Mary High School."
