

2020-2021 PARENT PARTNERSHIP

The Fund for STVM is the result of the generosity of our community of donors, including parents like you. As a result of this commitment, every STVM student receives a grant towards his or her education. The actual cost of a STVM education spans beyond the cost of tuition. All gifts of \$25 or more made by a parent are recognized with an Official Parent Partnership Water Tumbler. A gift of any amount will truly make a difference in the life of every student.
