**ANDY JALWAN, ATHLETIC DIRECTOR**

Dear STVM Community:

Thank you for your continuous support of the Irish athletic program. The tradition of athletic excellence at St. Vincent-St. Mary would not be possible without the backing of our coaches, parents, faculty, alumni, and booster members. The dedication of the entire STVM community provides our student-athletes with the opportunity to wear the green and gold proudly and victoriously on the playing field.

With your support St. Vincent-St. Mary High School makes available the opportunity for every student to participate while promoting good sportsmanship, integrity, and performance that is consistent with our mission and the Catholic education maintained in our classrooms. After watching the student-athletes prepare for their upcoming seasons and talking to our coaches, we should be in store for another very successful sports year.

I hope to see you at all of our contests.

Go Irish!  
Andy Jalwan  
Athletic Director

### HEAD TRACK & FIELD COACH DAN LANCIANESE

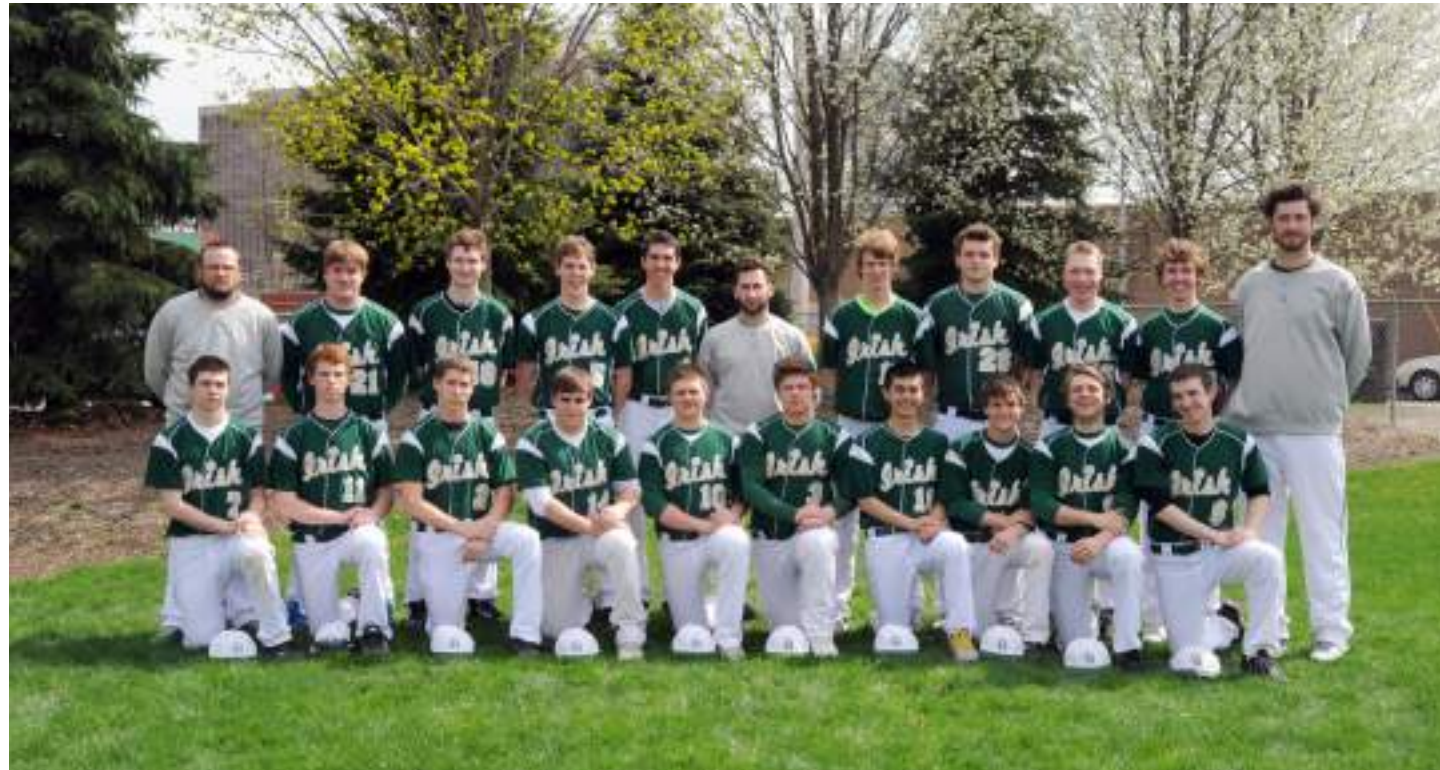

Dan Lancianese enters his 20th year as Head Coach of the STVM Track and Field Team. Coach Lancianese has 31 years coaching experience.

Coach Lancianese comments, "During the 2012 campaign, the boys and girls track and field team had another highly successful season culminating with the girls team winning their first team title in school history and the boys team finished in a very respectful runner-up position. The most impressive part of last year's program was that we set 17 school records. Another major indicator of our success was that we qualified to the state meet in 16 events and placed in 15 of these events."

The 2013 chapter has started off with the largest number of athletes signed up for the program in my 20 year history at this school. We have 87 boys and 67 girls on the team. I personally like the blend of all of the grades involved in this enrollment.

Our goal as a coaching staff is first and foremost the development of each and every individual athlete to their fullest potential. We have set our standards extremely high. Our goal is to match or increase the number of events that qualify to the state games in June. Our other main goal is to get each athlete to recognize they are running in Christ's image and that they should always remain humble in the attempt. Strive for personal goals. Persevere in the effort. Be patient and battle the weather as well as the opponents throughout the entire season. God Speed.

HEAD BASEBALL COACH ANTHONY BOARMAN

Anthony Boarman is in his fifth year as Head Coach of the STVM Irish Baseball Team.

Anthony is a graduate of Copley High School and Kent State University and has eight years of coaching experience in varsity baseball, varsity football and at the college club baseball level.

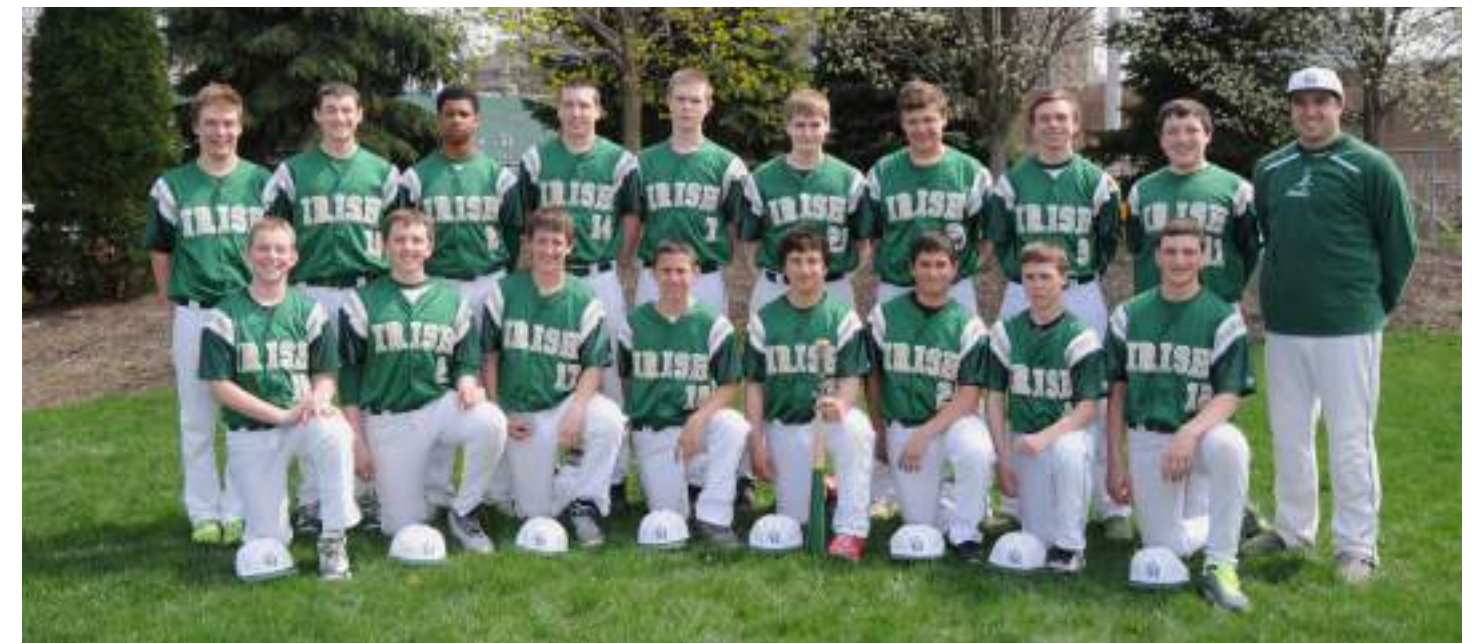

Coach Boarman currently teaches American History and Economics and Personal Finance at St. Vincent-St. Mary and is also the school's website manager. As well as being the head baseball coach, he is also a varsity assistant football coach.

Coach Boarman comments, "After a 15-11-1 finish in 2012, the STVM baseball team has big shoes to fill, but returns a strong senior class and a nice core group of young players with varsity experience. The ultimate goal every single year in this program is to work toward a state championship. However, we will take one game at a time and learn to be a family - the wins, losses, and championships will take care of themselves."
